

COME SERVE WITH US!

- Make an immediate impact on children with disabilities and their families.
- Provide opportunities for families affected by disability to experience church together consistently, and often for the first time.
- Build lasting relationships with participants and other volunteers.
- No special experience or knowledge is needed—"on-the-job" training is provided!

OUR MISSION

To provide a safe and supportive environment for children with special needs to learn about the love of God, in order to equip both children and their families to become and help others become faithful servants of Jesus Christ.

WHAT WE DO

We provide assistance for children ranging from infants to high school during Sunday morning and Wednesday night activities. Based on individual needs, we provide one-on-one "buddy" support in age-appropriate classrooms as well as access to the sensory-friendly Hearts & Hands room. This ministry offers families a network of caring and supportive volunteers who help provide a safe, fun, and consistent environment for their child at church.

HOW YOU CAN HELP

- Serve one-on-one as a buddy for a child with special needs one to two times per month
- Sunday morning and Wednesday night spots are currently available
- Current participants range in age from 3 to 21, so there are opportunities to serve at all age levels
- The only requirement is a willingness to serve and to learn about how you can become a friend to a very special child
- The Hearts & Hands Coordinator will place you with a child and provide any information/training you may need
